

NATURAL BEEKEEPING COURSE

29th-30th September 2018

A comprehensive weekend course taught by John Vandy (www.topbarbeehive.co.uk), covering hive design, bee nature, colony maintenance, equipment; all you need to know to begin keeping bees in a more natural way. Learn about the problems faced by bees and how we can help them in as natural a way as possible.

Course costs £60 for the full weekend (10am-5pm).
Bunk accommodation available—please ask.
Please bring food to share for meals.
