

Introduction to Natural Beekeeping

23-24 June 2018, 10am-5pm

at the Plas, Machynlleth.

Tutor: John Vandy.

Course fee: £60 (Booking essential)

An introduction to a simple, bee-friendly method of keeping bees by John Vandy, an experienced "natural beekeeper". Learn about the problems faced by bees and how we can help them in as natural a way as possible. See how bees interact with the environment and learn simple steps to support your local bees. The course is suitable for beginners.

We will be looking at some live bees during the course, so bring a bee suit if you have one. Teas and coffee provided, bring your own lunch (or use the Plas café).

Any profits go to local community gardening groups.
